Comments:

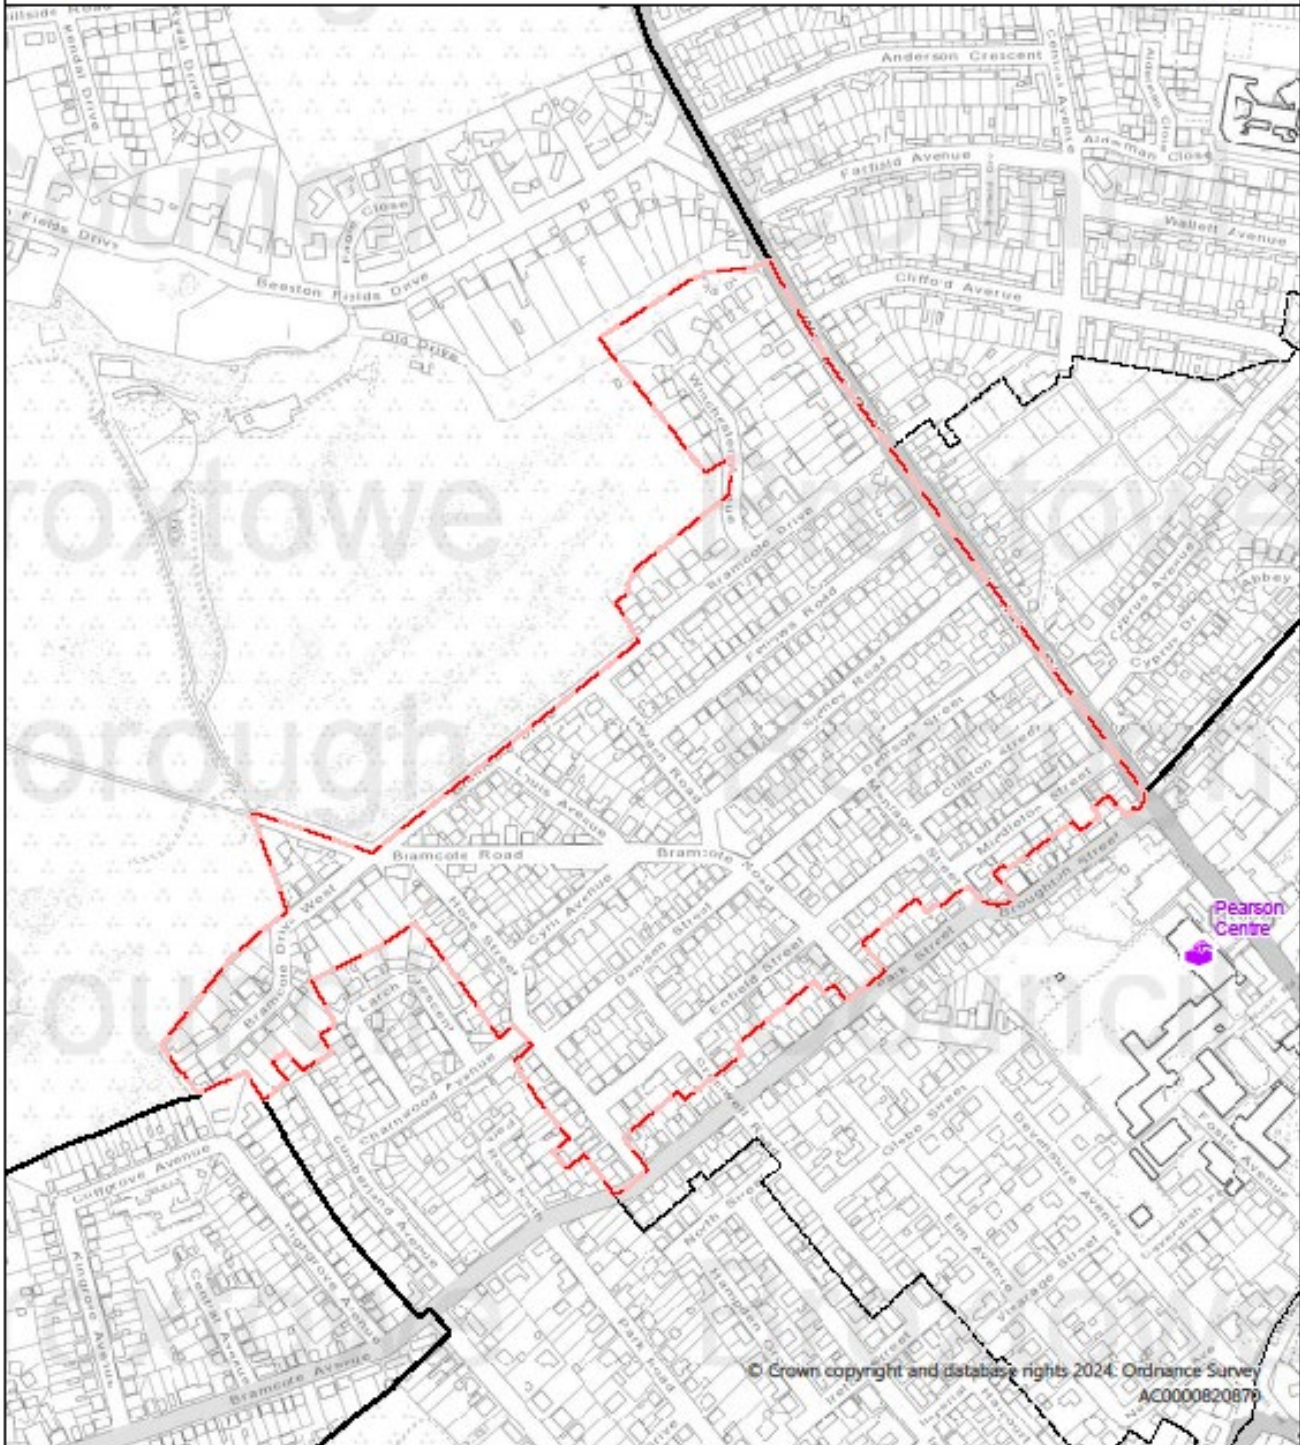

1. Our Lady of the Assumption Church Hall no longer wish to be used as a polling station and therefore a temporary replacement polling place was required for elections in 2024. The Pearson Centre was identified as a suitable alternative. It has good level access and facilities and is close to the previous polling place.
2. The Pearson Centre was used for the elections in May and July 2024 and no significant issues were reported.
3. It is recommended to move the polling place for BEW2 and BEW3 to The Pearson Centre on a permanent basis.
