

Your Council Tax USEFUL INFORMATION

Where does your Council Tax go?

Council Tax is set annually and the money you pay is used to fund local services. Around 8% of your Council Tax goes towards funding services provided by Broxtowe Borough Council. The rest goes to Nottinghamshire County Council, Nottinghamshire Police, Nottinghamshire Fire and Rescue and your Parish Council.

We collect Council Tax for all of these organisations but each is responsible for deciding its own rates. Based on a Band D equivalent:

£1,894.54 goes to Nottinghamshire County Council

£296.10 goes to Nottinghamshire Police

£192.93 goes to Broxtowe Borough Council

£97.21 goes to Nottinghamshire Fire and Rescue

Parish precepts vary between each Parish

The Budget Challenge

Broxtowe Borough Council is still facing a huge financial challenge. The increasing demands for services, rising costs and reductions in Central Government funding in real terms are the main contributory factors impacting upon the ability to balance the budget. The Council continues to make key decisions through its financial and business strategies about where we spend and save your money.

The money we collect is spent on services like:

-  Refuse collection and recycling
-  Public health and food hygiene
-  Housing
-  Community safety
-  Housing and council tax support
-  Economic development
-  Parks and open spaces
-  Street cleansing

The Secretary of State for Communities and Local Government has made an offer to adult social care authorities. ("Adult social care authorities" are local authorities which have functions under Part 1 of the Care Act 2014, namely county councils in England, district councils for an area in England for which there is no county council, London borough councils, the Common Council of the City of London and the Council of the Isles of Scilly).

The offer is the option of an adult social care authority being able to charge an additional "precept" on its council tax for the financial year beginning in 2016 without holding a referendum, to assist the authority in meeting expenditure on adult social care. The Secretary of State may choose to offer the option subject to the annual approval of the House of Commons.
