

Broxtowe Borough Council Housing Department Community Fund

Guidelines

Broxtowe Borough Council's Housing Department can award grants to enable groups to bid for small scale projects that benefit the Council's Housing customers and the communities they live within.

The Community Fund is designed to benefit as many projects as possible in areas across the Borough with Council Housing properties. You can apply for up to £1,000 per application, per group.

Funding Criteria

Grant funding may be used for projects which contribute to one or more of the priorities outlined below:

- Improving Health and Wellbeing
- Tenancy Sustainment and Financial Inclusion
- Neighbourhood Improvements and Empowering Communities
- Reducing Loneliness and Social Isolation

Applications forms should clearly demonstrate how the project will meet the following criteria. Projects should be:

- A benefit to the community, with a clear outcome
- Properly costed. In addition to the funding being applied for we would expect you to show how the funding applied for would be complimented through either volunteer time or funding from other sources, or both.
- Inclusive and engaging the skills and knowledge of the community and supporting volunteering locally
- Deliverable by the landlord, Housing customers or another approved organisation on their behalf. Please contact the Housing Department if you require support and guidance on how this can be delivered
- Used to provide something that the Council's Housing Department would not normally be expected to provide – it must not be used to make up a shortfall in a regular budget

All applications received will be assessed against the same scoring matrix and scored accordingly on the priorities and criteria set out above. Please ensure you demonstrate how your project will meet one or more of these on the application form.

What can the grant money be used for?

- Buying or hiring equipment and tools to enable a project to take place
- Buying materials such as paint, plants, wood and compost
- Paying someone to perform a task such as a gardener or joiner. Where applicants do not have a bank account the Council can make payments on behalf of the project, where prior arrangements have been agreed for this
- Hiring venues, paying for catering or paying for activities for community events
- Paying appropriate volunteer expenses, in line with an approved expenses procedure

What cannot be funded?

- Retrospective requests. We cannot support applications for activities or purchases that have taken place before a formal grant offer has been made
- On-going maintenance or running costs
- Loan payments or endowments
- Trips/days outs that are not part of a larger project, unless there is clear and strong evidence that it links to one or more of the priorities detailed in these guidelines
- Activities that form part of a group's usual activities
- Activities that are part of statutory obligations
- Capital costs – such as contributions towards purchase of land, buildings or vehicles, etc.
- Salaries

Who can apply?

You can apply to the Community Fund if you are a tenant or leaseholder of the Council's Housing Department and over 18 years of age.

Recognised Community Groups who are constituted, or working towards a formal constitution. The Engagement Team can provide support and guidance to Housing customers to help you develop a Community Group.

We will consider applications from voluntary organisations or 'not-for-profit' community groups developing projects that will directly benefit the Council's Housing customers and the communities they live in.

Applications must be submitted and signed by a minimum of two people.

Applications will also be accepted from Housing staff who have engaged with the community about an idea to improve the quality of life within that community.

Who can not apply?

What happens next?

- All applications received will be acknowledged and applicants will be advised of when the application will be assessed and when the decision outcome will be made available
- Applications will be assessed by a panel made up of Housing employees, with expertise in the scope of the project
- Applications will be considered by the Resident Involvement Group at their next scheduled meeting
- Applications will be assessed as soon as is reasonably practical after receipt. Receipt of your application will be acknowledged, along with a date when we expect to inform you of the outcome of your application.
- All applications will be assessed and scored against the same set of criteria
- Following assessment of the application, a decision will be made whether to contact the applicants for further information or whether to award none, some or all of the funds requested – the panel's decision is final
- The Community Fund has a limited amount of money available and will be administered to ensure there is adequate funding available for applications submitted towards the end of each financial year
- Feedback will be available to applicants who wish to request it, however the Council reserves the right to decline any application without stating a reason

Other information

- We aim to support applications from across all areas with Housing stock and multiple applications from one group of applicants are unlikely to be successful
- Every project is expected to complete a follow up/evaluation report that includes financial evidence of how the grant was spent
- Successful applicants will be expected to help promote the Community Fund through relevant Housing communications. We would also be keen for projects to keep either video or photographic evidence where possible
- Housing staff will visit your project to follow up on the progress of your project, either during the project or after it has been completed
- The Resident Involvement Group will receive information about all grant awards and receive progress reports on approved projects at agreed intervals
- Copies of invoices will be required as evidence of how the grant was spent and this must be as agreed in the project costs, detailed in the application form
- New applications for previously successful or unsuccessful projects will not be considered until one year after the original application was considered
